

Fact Sheet

How can I order Advance Care Directive information?

An Advance Care Directive is a legal form that allows people to write down their wishes, preferences and instructions for future health care, end of life, living arrangements and personal matters and/or appoint one or more Substitute Decision-Makers to make these decisions on their behalf when they are unable to do so themselves. The Advance Care Directive replaced Enduring Power of Guardianship, Medical Power of Attorney or Anticipatory Direction as of July 1, 2014, with a single form.

The Advance Care Directive Do-It-Yourself Kit is a step-by-step guide to completing the Advance Care Directive and contains two copies. It also contains example statements for people to consider writing on their form. More information can also be found at www.advancecaredirectives.sa.gov.au.
