

Limestone Coast Local Health Network Employment

The Limestone Coast Local Health Network provides a wide range of health care services across the Limestone Coast region, covering a large geographical area which consists of the Upper and Lower South East, and extends all the way to the Victorian border.

Your career

We employ over 1500 staff across the region in a variety of roles including administrative, allied health, nursing and midwifery, managerial, medical, operational, research and support staff. These dedicated staff provide high quality patient care, education, research and health promoting services to ensure the local community are healthy, enjoy a great quality of life and experience a safe, contemporary and sustainable healthcare system.

Services we provide in the region include accident and emergency, day and inpatient surgery, aboriginal health, obstetric services, community health and aged care services. We have facilities located within Mount Gambier, Bordertown, Kingston, Millicent, Naracoorte and Penola.

We offer rewarding employment opportunities in a workplace that supports integrity, honesty, courage and respect in the workplace.

Our Core Purpose

Our core purpose is to partner with our community in delivering best practice care and services that contribute to improving the health and wellbeing of our communities and region.

Our Vision

By 2025, our vision is to be a trusted leader and partner in the provision of safe, high-quality, progressive, consumer directed care and services.

Key Priorities

Our focus between now and 2025, will be on five key priorities. We see these as the building blocks for delivering safe, high-quality, progressive, consumer-directed care and services. Following through on our commitments will be vital in the coming period, and we will actively measure and regularly report progress on the actions identified for each priority. We look forward to continuing to serve the diverse communities of the Limestone Coast by delivering the best and safest health care and services for our region.
