Date presented to Minister: 30 September 2020

OFFICIAL

To:

Hon Stephen Wade MLC

Minister for Health and Wellbeing

This annual report will be presented to Parliament to meet the statutory reporting requirements of the *Public Sector Act 2009*, the *Public Finance and Audit Act 1987* and the *Health Care Act 2008*, and the requirements of Premier and Cabinet Circular *PC013 Annual Reporting*.

This report is verified to be accurate for the purposes of annual reporting to the Parliament of South Australia.

Submitted on behalf of the Renmark Paringa District Health Advisory Council Inc
by:

Jane Pitt

Presiding Member
Date 30/9/2020

Signature

From the Presiding Member

Membership

- We welcomed a new community member this year with Marian Morrison filling a casual vacancy.
- We are down two community members so would like to attract a more diverse community membership

Things that have worked well for our HAC

- We work well as a team, everyone has skills and we use these skills and strengths of our members to identify gaps and to improve the health outcome and the comfort of our acute patients and our aged care residents.
- Connecting with the community through our fundraising activities especially our Fete held in October of 2019.
- Having a good relationship with the Riverland Mallee Coorong Local Health Network, including Chief Executive Officer, Secretariat and our hospital Director of Nursing.

Highlights and Achievements

- Promoted the locations of defibrillators in the town on Facebook and provided signs to businesses and groups to display their locations.
- Used our Facebook presence to promote health initiative, our hospital, and the latest from SA Health related to COVID-19.
- Developed a pack for patients and families who are required to visit Adelaide for health issues. Included are the contact details of major hospitals and key staff in the hospitals who can assist country patients as well as the availability of accommodation near hospitals.
- Used fundraising events such as our very successful Fete as an opportunity to further develop the relationship between the HAC and the local community.
- Supported two more aged care staff to complete Easy Moves for Active Ageing training (EMAA) through a bursary fund, to improve outcomes for residents in aged care.
- Updated the furniture in the discharge lounge in the acute section of the hospital.

Challenges for our HAC

- COVID-19 has presented unique challenges for our HAC, it has curtailed fundraising events and has seen a number of our meetings being conducted by video and teleconferencing. It has required us to strengthen our presence on Facebook and to put a hold on our efforts to extend and strengthen our personal communication with the public eg community meetings. We have, however, been kept well informed at meetings in relation to the latest COVID-19 situation in our community and more widely.

[Renmark Paringa District Health Advisory Council Inc.](#)

Changes to the agency

During 2019-20 there were no changes to the agency's structure and objectives as a result of internal reviews or machinery of government changes. However, the relationship with the former Country Health SA Local Health Network changed as a result of governance reform. The relationship is now with Riverland Mallee Coorong Local Health Network that become a legal entity on 1 July 2019.

Our Minister

Hon Stephen Wade MLC is the Minister for Health and Wellbeing in South Australia.

The Minister oversees health, wellbeing, mental health, ageing well, substance abuse and suicide prevention.

Strategies implemented to control and prevent fraud

Health Advisory Councils have specific functions and powers as defined in the *Health Care Act 2008* and the Constitution (for incorporated Health Advisory Councils or Rules (for non incorporated Health Advisory Councils), including actions that cannot be undertaken without the approval of the Minister.

Health Advisory Councils are instrumentalities of the Crown and subject to relevant Department of Treasury and Finance Treasurers Instructions.

The Constitutions / Rules identify the actions to be undertaken in the event of a conflict of interest. All declared conflicts of interest are reported to the Minister for Health through Riverland Mallee Coorong Local Health Network Inc.

Data for previous years is available at: <https://data.sa.gov.au/data/dataset/country-health-sa-local-health-network>

Public interest disclosure

Number of occasions on which public interest information has been disclosed to a responsible officer of the agency under the *Public Interest Disclosure Act 2018*:

0

Data for previous years is available at: <https://data.sa.gov.au/data/dataset/country-health-sa-local-health-network>

Note: Disclosure of public interest information was previously reported under the *Whistleblowers Protection Act 1993* and repealed by the *Public Interest Disclosure Act 2018* on 1/7/2019.

Reporting required under any other act or regulation

Act or Regulation	Requirement
Health Care Act 2008	Part 4 Health Advisory Councils, Division 2 Functions and Powers, 18 Functions

Act as an advocate to promotion the interests of the community.

- Provide advice about relevant aspect of the provision of health services, and relevant health issues, goals, priorities, plans and strategic initiatives, including discussion the closure of the provision of a daytime Emergency Department at the Renmark Paringa District Hospital.
- Encourage community participation in programs, such as utilising, Facebook to promote health programs and providing a pack of easy reference materials for country patients who need to seek medical care in Adelaide.
- Consult with other bodies that are interested in the provision of health services, such as the Renmark Medical Clinic.
- Act as trustee and participate in budget discussions and financial management or development processes; and to undertake fundraising activities including a fundraising Fete.

Reporting required under the *Carers' Recognition Act 2005*

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE RENMARK PARINGA DISTRICT HEALTH ADVISORY COUNCIL INC.

Report on the Financial Report

Audit Opinion

We have audited the accompanying financial report of Renmark Paringa District Health Advisory Council Inc. (the Health Advisory Council), which comprises the statement of financial position as at 30 June 2020, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes comprising summary of significant accounting policies and other explanatory information, and the statement by the presiding member and operational finance manager.

In our opinion, the financial report of Renmark Paringa District Health Advisory Council Inc. presents fairly in accordance with Treasurer's Instructions promulgated under the provisions of the Public Finance and Audit Act 1987, Department of Health Accounting Policies, the Health Care Act 2008, applicable Accounting Standards and other mandatory professional reporting requirements in Australia, the financial position of Renmark Paringa District Health Advisory Council Inc. as at 30 June 2020 and the results of its operations and its cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Health Advisory Council in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (including Independence Standards) (the Code) that are relevant to our audit of the financial report in Australia, and we have fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Health Advisory Council's Responsibility for the Financial Report

The Health Advisory Council is responsible for the preparation of the financial report that presents fairly in accordance with the Health Care Act 2008, Treasurer's Instructions promulgated under the provisions of the Public Finance and Audit Act 1987, Department of Health Accounting Policies, applicable Accounting Standards and other mandatory professional reporting requirements in Australia. This includes responsibility for the maintenance of adequate accounting records and internal controls that are designed to prevent and detect fraud and error, and for the accounting policies and accounting estimates inherent in the financial report.

Auditor's Responsibility for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Health Advisory Council's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Health Advisory Council's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS
For the year ended 30 June 2020

1 About Renmark Paringa District Health Advisory Council Inc

The Renmark Paringa District Health Advisory Council Inc (the Advisory Council) was established as an incorporated advisory council under the Health Care Act 2008 (the Act).

The financial statements include all controlled activities of the Advisory Council.

The Advisory Council does not control any other entity and has no interests in unconsolidated structured entities.

1.1 Objectives and activities

The Advisory Council was established to undertake an advocacy role on behalf of the community, to provide advice, and to perform other functions as determined under the Act.

The Advisory Council is established to:

- advise on the health service needs, priorities and issues within the Local Area with particular emphasis upon those issues in the context of consumers of health services, carers and volunteers
- ascertain the health needs of the Community and the attitude of the Community to the development of health services within the Community
- advocate on behalf of the Community to support the planning and provision of health services as part of an integrated statewide health system for the benefit of the Community
- hold assets for the benefit, purposes and use of, the Health Unit(s) on terms and conditions determined of approved by the Minister
- undertake such other activities as the Advisory Council may determine for the benefit or support of health services in the Local Area

The functions of the Advisory Council are to contribute significantly to the improved overall health status of all people by acting as an advocate and providing advice about the provision of health services, health issues, goals, priorities, plans and other strategic initiatives both inside and outside the Local Area.

1.2 Basis of preparation

These financial statements are general purpose financial statements prepared in compliance with:

- section 23 of the *Public Finance and Audit Act 1987*;
- Treasurer's Instructions and Accounting Policy Statements issued by the Treasurer under the Public Finance and Audit Act 1987; and
- relevant Australian Accounting Standards (with reduced disclosure requirements) applicable to not-for-profit entities, as the Advisory Council is a not-for-profit entity.

The financial statements have been prepared based on a 12 month period and presented in Australian currency. All amounts in the financial statements and accompanying notes have been rounded to the nearest thousand dollars (\$'000).

The historical cost convention is used unless a different measurement basis is specifically disclosed in the note associated with the item measured.

Assets and liabilities that are to be sold, consumed or realised as part of the normal operating cycle have been classified as current assets or current liabilities. All other assets and liabilities are classified as non-current.

Significant accounting policies are set out below or in the notes.

1.3 Taxation

The Advisory Council is not subject to income tax but is liable for goods and services tax (GST).

Income, expenses and assets are recognised net of the amount of GST except:

- when the GST incurred on a purchase of goods or services is not recoverable from the Australian Taxation Office (ATO), in which case the GST is recognised as part of the cost of acquisition of the asset or as part of the expense item applicable; and
- receivables and payables, which are stated with the amount of GST included.

The net amount of GST recoverable from, or payable to, the ATO is included as part of receivables or payables in the Statement of Financial Position.

Cash flows are included in the Statement of Cash Flows on a gross basis, and the GST component of cash flows arising from investing and financing activities, which is recoverable from, or payable to, the ATO is classified as part of operating cash flows.

RENMARK PARINGA DISTRICT HEALTH ADVISORY COUNCIL INC
NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS
For the year ended 30 June 2020

1.4 Equity

The Advisory Council uses the asset revaluation surplus to record increments and decrements in the fair value of land and buildings to the extent that they offset one another. Relevant amounts are transferred to retained earnings when an asset is derecognised.

1.5 Changes in accounting policy

AASB 1058 Income of Not-for-Profit Entities

AASB 1058 *Income of Not-for-Profit Entities* establishes new income recognition requirements for not-for-profit entities. Its requirements apply where the consideration to acquire an asset, including cash, is significantly less than fair value principally to enable the entity to further its objectives. AASB 1058 also contains requirements for the receipt of volunteer services.

AASB 1058 supersedes income recognition requirements in AASB 1004 *Contributions*, AASB118 *Revenue and AASB 111 Construction Contracts*. However, elements of AASB 1004 remain in place, primarily in relation to restructures of administrative arrangements and other contributions and distributions by owners.

The Advisory Council adopted AASB 1058 on 1 July 2019 which did not have an impact on the timing or recognition of the Advisory Council's revenues, as detailed below:

- Contributed services (resources received free of charge) continue to be recognised where they would have been purchased if they were not donated under AASB 1058 (previously AASB 1004) and contributed assets that do not have sufficiently specific performance obligations continue to be accounted for as a donations via AASB 1058 (previously AASB 1004);

Presentation of Financial Statements

Treasurer's Instructions (Accounting Policy Statements) Variation Notice 2020 issued on 1 June 2020 removed the previous requirement for financial statements to be prepared using the net cost of services format. The net cost of services is the total cost of services less any revenue retained by public authorities involved in the provision of services but does not include items classified as revenues from and payments to the South Australian Government.

Presentation of the Statement of Comprehensive Income on an 'income and expense' basis allows information to be presented in such a way that eliminates potential confusion as to the source of funding for the department. As well as changes to the format of the Statement of Comprehensive Income, there are presentational changes to remove the net cost of services format from the Statement of Cash Flows. These statements now show income before expenses, and cash receipts before cash payments. Related disclosures also reflect this changed format.

1.6 Impact of COVID-19 pandemic

The COVID-19 pandemic has not had a material impact on the operations of the Advisory Council and is not expected to do so in the future.

2 Property, plant and equipment

2.1 Acquisition and recognition

Non-current assets are initially recorded at cost or at the value of any liabilities assumed, plus any incidental cost involved with the acquisition. Non-current assets are subsequently measured at fair value after allowing for accumulated depreciation. Where assets are acquired at no value, or minimal value, they are recorded at their fair value in the Statement of Financial Position. Where assets are acquired at no or nominal value as part of a restructure of administrative arrangements, the assets are recorded at the value held by the transferor public authority prior to the restructure.

The Advisory Council capitalises all non-current tangible assets that it controls valued at or greater than \$10,000.

2.2 Depreciation

All non-current assets, that have a limited useful life, are systematically depreciated over their useful lives in a manner that reflects the consumption of their service potential.

The useful lives and depreciation methods of all major assets held by the Advisory Council are reviewed and adjusted of appropriate on an annual basis. Changes in expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are accounted for prospectively by changing the time period or method, as appropriate.

Land and non-current assets held for sale are not depreciated.

REMARK PARINGA DISTRICT HEALTH ADVISORY COUNCIL INC
NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS
For the year ended 30 June 2020

Depreciation is calculated on a straight line basis over the estimated or revised remaining useful life of the following classes of assets as follows:

<u>Class of asset</u>	<u>Useful life (years)</u>
Buildings and improvements	40 - 80
Site improvements	40 - 80

2.3 Revaluation

All non-current tangible assets are valued at fair value after allowing for accumulated depreciation (written down current cost).

The Advisory Council revalues all land, buildings and site improvements on a regular cycle via a Certified Practising Valuer.

If at any time, management considers that the carrying amount of an asset greater than \$1 million materially differs from its fair value, then the asset will be revalued regardless of when the last valuation took place.

Non-current tangible assets that are acquired between revaluations are held at cost, until the next valuation, when they are revalued to fair value.

Any accumulated depreciation as at the revaluation date is eliminated against the gross carrying amounts of the assets and the net amounts are restated to the revalued amounts of the asset.

Upon disposal or derecognition, any asset revaluation surplus relating to that asset is transferred to retained earnings.

2.4 Impairment

The Advisory Council holds its property assets for their service potential (value in use). All non-current tangible assets are valued at fair value. Specialised assets would rarely be sold and typically any costs of disposal would be negligible, accordingly the recoverable amount will be closer to or greater than fair value. Where there is an indication of impairment, the recoverable amount is estimated. For revalued assets, an impairment loss is offset against the revaluation surplus for that class of assets, to the extent that the impairment loss does not exceed the amount in the respective asset revaluation surplus.

There were no indications of impairment of property and infrastructure as at 30 June 2020.

2.5 Valuation of land and buildings

An independent valuation of land and buildings, including site improvements, was performed in March 2018 by a Certified Practising Valuer from AssetVal (JLT) Pty Ltd, as at 1 June 2018.

Fair value of unrestricted land was determined using the market approach. The valuation was based on recent market transactions for similar land and buildings (non-specialised) in the area and includes adjustment for factors specific to the land and buildings being valued such as size, location and current use.

Fair value of specific land and buildings was determined using depreciated replacement cost, due to there not being an active market for such land and buildings. The depreciated replacement cost considered the need for ongoing provision of government services; specialised nature of the assets, including the restricted use of the assets; the size, condition, location. The valuation was based on a combination of internal records, specialised knowledge and acquisition/transfer costs.

3 Reconciliation of property, plant and equipment

The following table shows the movement:

2019-20	Land \$'000	Buildings \$'000	Total \$'000
Carrying amount at the beginning of the period	460	24,732	25,192
Depreciation	-	(1,014)	(1,014)
Carrying amount at the end of the period	460	23,718	24,178
Gross carrying amount			
Gross carrying amount	460	25,831	26,291
Accumulated depreciation	-	(2,113)	(2,113)
Carrying amount at the end of the period	460	23,718	24,178

4 Events after balance date

The Advisory Council is not aware of any material events occurring between the end of the reporting period and when the financial statements were authorised.

5 Key Management Personnel

Key management personnel of the Advisory Council include the Minister, the Chief Executive of the Department, board members and the Chief Executive Officer of Riverland Mallee Coorong Local Health Network Inc and the members of the Advisory Council.

The Advisory Council did not enter into any transactions with key management personnel or their close family during the reporting period that were not consistent with normal procurement arrangements.

6 Remuneration of Council members

The total remuneration received or receivable by members was nil. In accordance with the Premier and Cabinet Circular No 016, government employees did not receive any remuneration for council member duties during the financial year. Unless otherwise disclosed, transactions between members are on conditions no more favourable than those that it is reasonable to expect the entity would have adopted if dealing with the related party at arm's length in the same circumstances.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE RENMARK PARINGA DISTRICT HEALTH ADVISORY COUNCIL INC. GIFT FUND TRUST

Report on the Financial Report

We have audited the accompanying financial report of Renmark Paringa District Health Advisory Council Inc. Gift Fund Trust (the Gift Fund Trust), which comprises the statement of financial position as at 30 June 2020, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes comprising summary of significant accounting policies and other explanatory information, and the statement by the presiding member and operational finance manager.

In our opinion, the financial report of Renmark Paringa District Health Advisory Council Inc. Gift Fund Trust presents fairly in accordance with Treasurer's Instructions promulgated under the provisions of the Public Finance and Audit Act 1987, Department of Health Accounting Policies, the Health Care Act 2008, applicable Accounting Standards and other mandatory professional reporting requirements in Australia, the financial position of Renmark Paringa District Health Advisory Council Inc. Gift Fund Trust as at 30 June 2020 and the results of its operations and its cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Health Advisory Council in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (including Independence Standards) (the Code) that are relevant to our audit of the financial report in Australia, and we have fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Health Advisory Council's Responsibility for the Financial Report

The Gift Fund Trust is responsible for the preparation of the financial report that gives a true and fair view in accordance with the Health Care Act 2008, Treasurer's Instructions promulgated under the provisions of the Public Finance and Audit Act 1987, Department of Health Accounting Policies, applicable Accounting Standards and other mandatory professional reporting requirements in Australia. This includes responsibility for the maintenance of adequate accounting records and internal controls that are designed to prevent and detect fraud and error, and for the accounting policies and accounting estimates inherent in the financial report.

Auditor's Responsibility for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Health Advisory Council's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Health Advisory Council's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS
For the year ended 30 June 2020

1 About Renmark Paringa District Health Advisory Council Inc Gift Fund Trust

The Renmark Paringa District Health Advisory Council Inc Gift Fund Trust (the Trust) was established by virtue of a deed executed between the Department for Health and Wellbeing and the Renmark Paringa District Health Advisory Council Inc (the Trustee).

The financial statements include all controlled activities of the Trust.

The Trust does not control any other entity and has no interests in unconsolidated structured entities.

1.1 Objectives and activities

The Trust is a public ancillary fund and has been endorsed by the Australian Taxation Office as a Deductible Gift Recipient (DGR).

The Trust is established to:

- seek, collect and administer donations and bequests, to be used for the benefit of the local area health services that are DGRs
- undertake fundraising activities, the proceeds from which are to be used for the benefit of the local area health services that are DGRs

1.2 Basis of preparation

These financial statements are general purpose financial statements prepared in compliance with:

- section 23 of the *Public Finance and Audit Act 1987*;
- Treasurer's Instructions and Accounting Policy Statements issued by the Treasurer under the Public Finance and Audit Act 1987; and
- relevant Australian Accounting Standards (with reduced disclosure requirements) applicable to not-for-profit entities, as the Trust is a not-for-profit entity.

The financial statements have been prepared based on a 12 month period and presented in Australian currency. All amounts in the financial statements and accompanying notes have been rounded to the nearest thousand dollars (\$'000).

The historical cost convention is used unless a different measurement basis is specifically disclosed in the note associated with the item measured.

Assets and liabilities that are to be sold, consumed or realised as part of the normal operating cycle have been classified as current assets or current liabilities. All other assets and liabilities are classified as non-current.

Significant accounting policies are set out below or in the notes.

1.3 Taxation

The Trust is not subject to income tax but is liable for goods and services tax (GST).

Income, expenses and assets are recognised net of the amount of GST except:

- when the GST incurred on a purchase of goods or services is not recoverable from the Australian Taxation Office (ATO), in which case the GST is recognised as part of the cost of acquisition of the asset or as part of the expense item applicable; and
- receivables and payables, which are stated with the amount of GST included.

The net amount of GST recoverable from, or payable to, the ATO is included as part of receivables or payables in the Statement of Financial Position.

Cash flows are included in the Statement of Cash Flows on a gross basis, and the GST component of cash flows arising from investing and financing activities, which is recoverable from, or payable to, the ATO is classified as part of operating cash flows.

1.4 Changes in accounting policy

AASB 1058 Income of Not-for-Profit Entities

AASB 1058 *Income of Not-for-Profit Entities* establishes new income recognition requirements for not-for-profit entities. Its requirements apply where the consideration to acquire an asset, including cash, is significantly less than fair value principally to enable the entity to further its objectives. AASB 1058 also contains requirements for the receipt of volunteer services.

AASB 1058 supersedes income recognition requirements in AASB 1004 *Contributions*, AASB118 *Revenue and AASB 111 Construction Contracts*. However, elements of AASB 1004 remain in place, primarily in relation to restructures of administrative arrangements and other contributions and distributions by owners.

REMARK PARINGA DISTRICT HEALTH ADVISORY COUNCIL INC GIFT FUND TRUST
NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS
For the year ended 30 June 2020

The Trust adopted AASB 1058 on 1 July 2019 which did not have an impact on the timing or recognition of the Trust's revenues, as detailed below:

- Interest income continues to be recognised via AASB 9.

Presentation of Financial Statements

Treasurer's Instructions (Accounting Policy Statements) Variation Notice 2020 issued on 1 June 2020 removed the previous requirement for financial statements to be prepared using the net cost of services format. The net cost of services is the total cost of services less any revenue retained by public authorities involved in the provision of services but does not include items classified as revenues from and payments to the South Australian Government.

Presentation of the Statement of Comprehensive Income on an 'income and expense' basis allows information to be presented in such a way that eliminates potential confusion as to the source of funding for the department. As well as changes to the format of the Statement of Comprehensive Income, there are presentational changes to remove the net cost of services format from the Statement of Cash Flows. These statements now show income before expenses, and cash receipts before cash payments. Related disclosures also reflect this changed format.

1.5 Impact of COVID-19 pandemic

The COVID-19 pandemic has not had a material impact on the operations of the Trust and is not expected to do so in the future.

2 Grants and subsidies

	2020	2019
	\$'000	\$'000

	\$'000	\$'000
Cash at bank or on hand	104	20
Total cash	104	20

5 Financial instruments / financial risk management

5.1 Financial risk management

Risk management is managed by the Department for Health and Wellbeing's Risk and Assurance Services section and risk management policies are in accordance with the *Risk Management Policy Statement* issued by the Premier and Treasurer and the principles established in the *Australian Standard Risk Management Principles and Guidelines*.

The Trust's exposure to financial risk (liquidity risk, credit risk and market risk) is low due to the nature of the financial instruments held.

RENMARK PARINGA DISTRICT HEALTH ADVISORY COUNCIL INC GIFT FUND TRUST
NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS
For the year ended 30 June 2020

5.2 Categorisation of financial instruments

The carrying amounts of each of the following categories of financial assets and liabilities: financial assets measured at amortised cost; financial assets measured at fair value through profit or loss; financial assets measured at fair value through other comprehensive income; and financial liabilities measured at amortised cost are detailed below if applicable.

Category of financial asset and financial liability	Notes	2020 Carrying amount \$'000	2019 Carrying amount \$'000
<i>Financial assets</i>			
Cash and equivalent			
Cash and cash equivalents	4	104	20
Total financial assets		104	20

6 Events after balance date

The Trust is not aware of any material events occurring between the end of the reporting period and when the financial statements were authorised.

7 Key Management Personnel

Key management personnel of the Trust include the Minister, the Chief Executive of the Department, board members and the Chief Executive Officer of Riverland Mallee Coorong Local Health Network Inc and the members of the Renmark Paringa District Health Advisory Council Inc.

The Trust did not enter into any transactions with key management personnel or their close family during the reporting period that were not consistent with normal procurement arrangements.

8 Remuneration of Council members

The total remuneration received or receivable by members was nil. In accordance with the Premier and Cabinet Circular No 016, government employees did not receive any remuneration for council member duties during the financial year. Unless otherwise disclosed, transactions between members are on conditions no more favourable than those that it is reasonable to expect the entity would have adopted if dealing with the related party at arm's length in the same circumstances.
