Mount Gambier and District Health Service Consulting Rooms

The MGDHS Surgeons and Specialists List provides information about each specialist, including an indication of procedures performed, referral information, and the location of their consulting rooms.

MGDHS Consulting Rooms

The Consulting Rooms are located at the Mount Gambier and District Hospital, down the first corridor on the right after the main entrance. All consultations occur at the Mount Gambier and District Hospital Consulting Rooms unless notified otherwise.

- **Open hours:** Monday to Friday from 8:30am to 4:30pm
- **Phone:** (08) 8721 1245

Information about surgeons can be found on [Royal Australasian College of Surgeons website 'Find a Surgeon' directory](#).

The following listing includes surgeons who meet the requirements of the College's Continuing Professional Development program and have opted to be on the list. The list is split into resident and visiting specialists and is accurate at time of printing.
