If the status is **'Submitted'**, then this is with the Research Office for review.

If the Status is **'Completed pending HoD'**, this means at least one of the selected Head of Departments still need to sign off on your application before it gets to the Research Office. See below instructions on how to check Pending Head of Department sign offs.

2. To check the HoDs sign offs for applications with status of 'Completed pending HoD', click on the black SSA number and select 'Application Information'
