# FUTURE DIRECTIONS TO SAFEGUARD THE RIGHTS OF OLDER SOUTH AUSTRALIANS

2023-2027

**All adults have rights,  
no matter our age,  
identity or where we live.**

**These rights do not, and should  
not, diminish as we get older.**

*Future Directions to Safeguard the  
Rights of Older South Australians  
2023-2027*, sets the statewide  
direction, strategic priorities and  
conditions to raise awareness of, and  
prevent and respond to abuse and  
mistreatment of older people in South  
Australia over the next five years.
